200 Last Verses - Organ (Organ Popular Hymn Tunes Varied Harmonies). Composed By Noel Rawsthorne. For Organ. Hymns: Last Verse Arrangements. Sacred. Intermediate. Book. Noel Rawsthorne

There are few musical pleasures more spine-tingling than a really good organ arrangement of the last verse of a hymn. Noel Rawsthorne is a master at providing a touch of spice to the harmonies of an unsuspecting hymn tune, but also knows what is possible on the average church organ. In these books you will find colorful, manageable arrangements requiring only moderate technique. The composer's many years as an organist enable him to compose music that encourages enjoyment of hymn singing without distractions that confuse the congregation. In these arrangements, much of the original harmonic schemes of the hymn tunes are retained while exploring new harmonic possibilities. These books are eminently useful beside the standard hymnals of many churches, as it presents hymn tunes in the keys most commonly used. Where more than one key is common, two versions of the hymn improvisation are included. These settings are the perfect addition to the organist's repertoire for enlivening congregational singing.
