**Awake** Natasha Preston

Don't miss the latest gripping, high-stakes thriller from Wattpad sensation Natasha Preston, author of the runaway hit *The Cellar*.

*Of course, the dress was white. This is what I'm supposed to die in, I thought. Not many people knew what their last outfit would be.*

*I pulled it over my head. It fit me perfectly. It had long, loose fitting sleeves, a modest neckline, and waves of material on the skirt. I hated it.*

*There were no shoes, and I was afraid I'd have to run through the forest barefoot but there weren't a lot of options. Besides, I'd run barefoot over a bed of nails to get away.*

*"Scarlett, are you ready?" he called.*

*I looked in the mirror and took a deep breath. Time to fight for my life.*

Scarlett Garner doesn't remember anything before the age of four-until a car accident changes everything. She starts to remember pieces of a past that frighten her. A past her parents hid from her...and a secret that could get her killed.

### From reader reviews:

#### **Keith Taylor:**

Here thing why this particular Awake are different and trustworthy to be yours. First of all studying a book is good but it really depends in the content of computer which is the content is as tasty as food or not. Awake giving you information deeper as different ways, you can find any book out there but there is no publication that similar with Awake. It gives you thrill studying journey, its open up your current eyes about the thing this happened in the world which is might be can be happened around you. You can bring everywhere like in recreation area, café, or even in your way home by train. Should you be having difficulties in bringing the published book maybe the form of Awake in e-book can be your alternate.

#### **Benedict Wilkerson:**

Nowadays reading books be a little more than want or need but also become a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book which improve your knowledge and information. The info you get based on what kind of publication you read, if you want have more knowledge just go with training books but if you want feel happy read one with theme for entertaining for example comic or novel. Often the Awake is kind of e-book which is giving the reader capricious experience.

#### **Natalie Althoff:**

The guide with title Awake has a lot of information that you can study it. You can get a lot of gain after read this book. This specific book exist new understanding the information that exist in this reserve represented the condition of the world today. That is important to yo7u to be aware of how the improvement of the world. This kind of book will bring you within new era of the the positive effect. You can read the e-book on your own smart phone, so you can read that anywhere you want.

#### **Tommy Wright:**

Do you like reading a publication? Confuse to looking for your best book? Or your book had been rare? Why so many problem for the book? But almost any people feel that they enjoy regarding reading. Some people likes studying, not only science book but in addition novel and Awake or others sources were given information for you. After you know how the great a book, you feel need to read more and more. Science reserve was created for teacher or maybe students especially. Those books are helping them to add their knowledge. In some other case, beside science book, any other book likes Awake to make your spare time much more colorful. Many types of book like this.
