Going Through Hell With God: A Personal Perspective On Faith, Hope & Love Jared Dettmer

Going Through Hell With God is a compilation of many different writings from a man who at the time was in his upper twenties living a life that had purpose, meaning and direction until mysteriously he began experiencing a physical imbalance that forced him to change the course of his life. That man is me, the author. This book is for anyone who has experienced disappointment, pain, loss or the unknown and wants to rediscover their faith. "And now faith, hope and love abide, these three; and the greatest of these is love" (1 Corinthians 13:13). The focus of these writings is being honest with God no matter how you are feeling, especially if you are hurt, angry or frustrated - to become more aware of God's presence in the dark, lonely or cold times in your life and to experience God's light, grace and hope.
