Their love was doomed from the start. Nadia knew better than to fall in love with someone like Hunter. Her role as the daughter of the Midnight Stalkers' president is clear. She was born into the club, and she is supposed to die for it. But then Hunter walked into her life, and everything changed... Hunter came to town with a deadly mission. The Sons of Rebellion are depending on their tough Sergeant at Arms to put an end to the evil deeds of the Midnight Stalkers. But when Hunter starts to spill blood, he has a new problem. It's not just the Midnight Stalkers he's tearing apart, but Nadia's life. Their love should not have happened, but now it is too late. For the first time, Nadia and Hunter will have to ask themselves a question. Which is more important: love or family?
