In Love, There's No Such Thing As A Simple Plan

Rule #1: Cops maintain their distance.

It was supposed to be your average stakeout. My partner and I would scope out both the coffee shop and Laurel Wilkins, the latest target of con man Trevor Dean's scheme to meet women online and bilk them of their money--and everything else.

Rule #2: Cops think fast on their feet.

So I went inside to get a better look. So she happened to be gorgeous with a body that made me temporarily forget how to order coffee. So she knew my name--Russ Evans--and hugged me like we were more than friends. So what the \$#@ is going on?

Rule #3: Cops never, ever get involved.

At least she's willing to offer herself up as bait. All I have to do is keep her safe--and keep my hands off. Anything else would be against the rules. And oh so tempting. . .
