### ***A readable, accessible introduction to film***

*Understanding Movies* provides valuable insight into how movies communicate and convey meaning to their audiences through a unique network of language systems and techniques. In a readable, accessible, and sometimes humorous manner, *Understanding Movies* engages students in the fascinating language of film and helps further their appreciation and understanding of why and how movie watchers respond as they do to different films.

Organized around elements of film, the thirteenth edition of this market leading text provides students with a new way of looking at films that are familiar to them through contemporary coverage and a visually engaging presentation.

This text is available in a variety of formats — digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more. To learn more about our programs, pricing options and customization, click the Choices tab.

### **Learning Goals**

Upon completing this book, readers will be able to:

- Understand film as an industry
- Discuss the impact of technology on the film industry
