Sexually Aggressive Youth: A Guide to Comprehensive Residential Treatment Tim Lemmond, David Allan Verhaagen

Challenging much current thinking in the field that considers these youths a homogenous group, this volume applies a heterogeneous approach. Individualized treatment plans addressing a wide range of needs are presented. Practical and specific guidance about assessment, treatment, and discharge planning is well-grounded in research, providing a solid theoretical and conceptual framework. Staff training, development and treatment outcome evaluation are also included.

In the *Preparing for Treatment* section, the book discusses how to translate the needs of sexually aggressive youth into a program model. In its *Providing Treatment* section there are descriptions of therapeutic, milieu, and specialized interventions. Finally, in a *Supporting Treatment* section, guidance is given to improve outcome evaluation efforts, staff selection, and training.
