## The Dying Sahara: US Imperialism and Terror in Africa Jeremy Keenan

In *The Dark Sahara* (Pluto, 2009), Jeremy Keenan exposed the collusion between the US and Algeria in fabricating terrorism to justify a new 'Saharan front' in Washington's War on Terror. Now, in *The Dying Sahara*, he reveals how the designation of the region as a 'Terror Zone' has destroyed the lives and livelihoods of thousands of innocent people.

Beginning in 2004, with what local people called the US 'invasion' of the Sahel, *The Dying Sahara* shows how repressive, authoritarian regimes - cashing in on US terrorism 'rents' - provoked Tuareg rebellions in both Niger and Mali. Further, he argues that US activity has unleashed a new, narco-trafficking branch of Al-Qaeda.

Keenan's chillingly detailed research shows that the US and its new combatant African command (AFRICOM) have created instability in a region the size of western Europe.
