A Woman's Memoirs. How has it been possible for Rose Catalano to thrive with grace and power in a man's world? Wherever you are located in the world, the Security Industry sees few women at the top, and this author has reached that pinnacle through determination and perseverance. She has developed her own strategies for success, unorthodox as they might sometimes be, and she has made them work.

In this book Rose paves the way for more women to join her at the top by telling, in her own inimitable style, the story of her uncommon choice of lifestyle and how she made it. She shows you a way: Rose's way.

For anyone who enjoys the extraordinary, whether or not you are planning your own company, this is a must read.

Prepare to be inspired!

From dealing with the personal problems of her mostly male staff, to challenging incompetent tax auditors and dishonest suppliers, Rose tells it like it is. Her stories will provoke laughter, and sometimes tears, as she outlines her philosophy and strategy, and builds her blueprint for you through a kaleidoscope of daily events.

If you are curious to find out how you, too, could grow your fledgling security business from a handful of employees, to hundreds (and even if you are not) – then join Rose in this journey of courage and perseverance. She is a true pioneer in a lifestyle as unique as her story.
