Lexi Levine has a secret that she is desperate to keep from the rest of the Shifter Squad. She is being hunted by a vampire who is determined to turn her into the undead. Lexi hopes that leaving New Orleans will enable her to escape from the fate that is haunting her.

The squad is sent to West Virginia on a mysterious mission from one of the Paranormal Investigation Agency's upper echelon. The foes they face this time might be human, yet they are as dangerous and unpredictable as any monsters.

Lexi discovers that the house they are using for their base of operations is occupied by more than just ordinary people. Burdened with unique talents, only she can see the creatures that are invisible to everyone else. She doesn't know why she is so different from other shifters, but she will have to learn how to use her new abilities if they hope to prevail against the Dark Coven.
