Fearless Faith: Living Beyond the Walls of Safe Christianity John Fischer

Christian radio, Christian television, Christian schools, and Christian activism have created a cushion that protects believers from a world that often ridicules Christian beliefs and values. Is this the life of faith Christ's followers are called to? Christian leader and musician John Fischer challenges believers to break out of the safety zone and share Christ through acts of love, intelligent conversation, and genuine compassion. Readers will discover how they can...

- meet and connect with the lost
- face danger with excitement by depending on Jesus
- understand what it truly means to be "set apart"

Fearless Faith offers the encouragement and tools Christians need to step out in faith and point people to the salvation found in the Jesus.
