Meant to both inspire and inform pastoral leaders, *So Much Better* examines the impact of peer group participation on pastoral leaders, their families, and ministries.

This book goes beyond numbers and data by breathing life into the statistical bones. At this book's heart are seven peer group models including stories and examples from participants, families, and church members. Also featured is information about peer group recruitment, leadership, content, and structure, and practical advice about the cost, sustainability, and evaluation of peer groups.

So Much Better can change the way you think about and perform your ministry and lead you to a life that is-- well, so much better.
