Summer's Song Allie Boniface

What if everything you knew about your past turns out to be wrong?

Ten years after leaving home, the last thing Summer Thompson expects is to inherit her estranged father's half-renovated mansion. And the last thing she wants is to face the memories of the night her brother died, sketchy as they may be. Now a San Francisco museum curator, she plans to stay east just long enough to settle the estate and get rid of the house. Until she finds it occupied by a hunky handyman who's strangely reluctant to talk about his past.

Damian Knight has something to hide: his mother and sister from a brutal stalker. They've found a measure of peace and carefully guarded safety in Pine Point. Yet when the lonely, haunted Summer steals his heart, he finds himself opening up to her in ways he should never risk. Especially to a woman who's planning to return to the west coast after selling their refuge out from under them.

Summer's mounting flashbacks leave her confused and more determined than ever to find out the truth behind her brother's death. But in a small town full of powerful secrets, confronting the past could cost her the man she loves. Even her life.

Warning: This title contains a hunky hero who can do anything with his hands, a heroine desperate to discover the truth, tons of summer heat, and a small town with so much charm you'll want to move there.

From reader reviews:

Regina Laporte:

The book Summer's Song has a lot info on it. So when you read this book you can get a lot of benefit. The book was compiled by the very famous author. The author makes some research prior to write this book. This kind of book very easy to read you can get the point easily after perusing this book.

James Baker:

Your reading 6th sense will not betray an individual, why because this Summer's Song e-book written by well-known writer who knows well how to make book that could be understand by anyone who all read the book. Written in good manner for you, leaking every ideas and creating skill only for eliminate your own hunger then you still hesitation Summer's Song as good book not only by the cover but also with the content. This is one reserve that can break don't ascertain book by its handle, so do you still needing yet another sixth sense to pick this specific!? Oh come on your examining sixth sense already told you so why you have to listening to yet another sixth sense.

George Medrano:

As we know that book is essential thing to add our information for everything. By a book we can know everything we really wish for. A book is a pair of written, printed, illustrated or perhaps blank sheet. Every year was exactly added. This reserve Summer's Song was filled with regards to science. Spend your time to add your knowledge about your research competence. Some people has various feel when they reading any book. If you know how big good thing about a book, you can really feel enjoy to read a guide. In the modern era like today, many ways to get book that you just wanted.

Carmen Helton:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Summer's Song can make you experience more interested to read.
