The Seven Capital Sins and the Seven Contrary Virtues Bryan Crucis Shen

This book describes the seven capital sins (or deadly sins) in a way as if they are entities with hidden ill intent against us. And, in contrast, the seven contrary virtues (or heavenly virtues) are described in the same way, and how they work to increase the beauty of our virtues.

Written by a Counselor who also attended a course in Rome on evil spirits and angels, this book is a must for all who desire to live the virtuous life without being deceived by Satan and his demons.
