As mankind's reign on earth draws to a violent close, survivors Megan Pritchard and Jack Wolfe navigate the zombie-infested post-apocalyptic wasteland of the former United States in search of a safe place to ride out their last days. From the scorching deserts of southern Arizona to wilds of the Texas gulf coast, their attempts to find salvation are met with death and destruction at every turn. As options dwindle and despair mounts, their worst fears are realized: there is nowhere to run and nowhere to hide. In order to survive, they must change and adapt to their new place in the world. The alternative is extinction.
