Torah: The Five Books of Moses Go Fish Ministries Inc

This Go Fish Ministries publication is a paraphrase of the Torah. Its main purpose is to present a simplified version to those who have difficulty understanding more traditional ones, especially children and teens. My inspiration was to give my own children a more understandable, easier to read text, and one that would encourage them and other young people to read the Word of God. This version is dedicated to the nation of Israel and the Jewish people - God's chosen people. Pray for the peace of Jerusalem and victory over evil for Israel.
