**Ernestine Pagan:**

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this [(Energy Simulation in Building Design )] [Author: Joseph Clarke] [Oct-2001] can make you sense more interested to read.
