Maimonides' Guide for the Perplexed: Silence and Salvation (Routledge Jewish Studies Series) Donald McCallum

Providing an excellent overview of the latest thinking in Maimonides studies, this book uses a novel philosophical approach to examine whether Maimonides' Guide for the Perplexed contains a naturalistic doctrine of salvation after death.

The author examines the apparent tensions and contradictions in the Guide and explains them in terms of a modern philosophical interpretation rather than as evidence of some esoteric meaning hidden in the text.
