In putting together this Scripture Text-Book, use has been freely made of the Roman Ritual, of the Paradisus Animæ, and, with due authority, of several modern compilations of Scripture texts. A grateful acknowledgment is especially due to the distinguished disciple and student of St. Thomas, the Rev. Dr. Gildea, for the Introductions to the five Books and their several Parts, which, with only two or three exceptions, are the work of his pen. These Introductions contain in a brief form the essence of theological teaching; and though treating often of abstruse and difficult subjects, they are written in so clear and easy a style as to be intelligible to any ordinary mind. An acknowledgment is also due for much assistance rendered by the Rev. Henry M. Bayley, B.A. Cantab., in drawing up the Calendar of Scripture Saints: a Calendar which will serve to bring the reader into a closer union of mind and heart with those great Saints whose lives are recorded or referred to in Holy Writ.
