Hope carries her forward into a new life, but guilt over her part in the fire that destroyed the factory threatens to hold her back.

Amos Stoltzfus is overjoyed to bring someone as sweet and special as Willow into his life to recapture a sense of family and love that he has been missing. But Amos has a past of his own and unresolved conflict with his neighbor and former best friend, Mark Lapp, that stands in the way of family, happiness, and the community around him.

Can Willow help resolve the pain and heal the breach that divides Amos from his community and his culture, or will her troubles stand in the way of her and Amos's happiness?
