Ascension: Becoming an Ascended Master Paul McCarthy

Paul McCarthy's *Ascension* offers a complete, in-depth guide to becoming an ascended master for those who want to be masters of their own spiritual transformations.

Ascension: Becoming an Ascended Master offers a guide to the ascension process that explores the various levels of human spiritual consciousness. It presents a modern and accessible approach to the subject of ascension and aims to empower spiritual seekers by providing the information that they need to know in order to navigate through the different levels of consciousness.

This model of ascension explains the experiences of each level of ascension in detail, as well as the unique lessons of each level and the requirements needed to ascend to the next level. Ascension traces the process and journey of ascension, placing a detailed focus on the levels of ascension, the spiritual lessons learned in the process, the keys to transformation, the concepts of integration and universal awareness, ways to monitor your progress, and methods for transcending your ego. Explore the wisdom of master teachers from the past who have experienced each level of consciousness and learn what it takes to be a modern-day ascended master.

Ascension seekers will never again have to be lost or confused in their ascension process.
