Beauty has less to do with natural inheritance than it does with work and effort, and the more you learn about beauty products, the more you grow to realize that you are better off making them yourself! In the first place, beauty recipes allow you to make beauty products for far less money than it would cost to purchase the products themselves. You can make many beauty products simply by raiding your kitchen! Also remember that beauty products made by home recipes are also free of most of the harmful chemicals that occur in regular products.
