The New International Version (NIV) is today's most widely read, contemporary Bible translation. Its 'dynamic equivalency' approach cuts to the heart of meaning to offer a Bible text that is understandable and highly readable. The Interlinear NIV Parallel New Testament in Greek and English directly relates Greek words in the Nestle's Greek text -- the text from which the NIC was derived--to their corresponding translation in the NIV. And since it requires little or no knowledge of Greek, it facilitates reading of the Greek New Testament. These advantages help you understand the Bible better. This proven study tool uses Alfred Marshall's interlinear English text -- the standard, widely used literal translation of the Nestle's Greek text, 21st edition. A generation of readers has relied on Marshall's renowned contribution to biblical study. The Interlinear NIV Parallel New Testament in Greek and English brings it to you in a parallel format that will bring new depth, perspective, and insight to your Bible studies.
