Taylor Delaney is the love of my life. She's also the one I've hurt the most. Two years ago, I made a disastrous mistake. One I'm not sure I can make amends from. But I have to try, because I'm nothing without her. Brad Ashby's here, in my hometown, asking for a second chance. All those unresolved feelings for him have resurfaced. Not that they ever went away. I know I should run him out of the town, but I can't. He needs to know that I wasn't the only one who was deceived. Even if we gave our relationship another try, how can we rebuild what's been destroyed? If we weren't strong enough then, what makes us strong enough now?
