Queen of Hearts: (Family Stone #6 Shelley) (Family Stone Romantic Suspense) Lisa Hughey

Queen of Hearts...the next installment in the Family Stone Romantic Suspense series featuring Shelley Stone (Jess's mom and Connor, Riley and Jack's stepmom) is a second chance at love romance. This 40,000 word novel features former Navy, Enrique "Bulletproof" Santana, and Shelley Stone and is set in Las Vegas.

Ric Santana is in Las Vegas for his friend's wedding and some much needed R & R. But the vacation turns awkward when he discovers his smoking hot one night stand is actually his pal's stepmother. When Shelley's life is threatened, Ric doesn't hesitate to step into the role of bodyguard and protector. But as Ric grows closer to Shelley, he can't help but wonder, can he save her life or will they be too late for love?

Family Stone Romantic Suspense series:

Stone Cold Heart:

Jess Stone, former FBI sniper, always felt like the kid who looked in the candy store window but could never afford to go in. But on a humanitarian mission to aid an earthquake ravaged country, finally she finds a place where she fits, in Colin Davies' arms, and working for Global Humanitarian Relief, her big brother's company. But can the former SAS thaw Jess's stone cold heart?

Carved in Stone:

Connor Stone has always been odd man out in his family. Not the oldest, not the most charming, he'd had a lock on the youngest until another half-sibling came to live with them, so he raised hell in his youth. Connor knows now the only way to redeem himself is with deeds, not words and sets out to prove once and for all he is worthy of the Stone family. When his older brother asks him to take care of business, Connor finally will have redemption he craves. Except when Ava Sanchez, his brother's assistant, is threatened, he must choose between saving the girl or protecting his family. Will his choice bring him love or break his heart?

Heart of Stone:

Riley Stone is the handsome brother, the charming one. Everyone who meets him compares him to his father, which in his mind is not a compliment. But he's never met a woman he couldn't charm, until he meets Di, an acerbic, smart-mouthed, passionate activist who has no time for him or his charm. On the run, in the midst of danger, the blistering passion they share explodes. Can these two opposites find common ground, or will Di smash Riley's stone heart?

Still the One:

Jack Stone, former Navy SEAL, and oldest Stone sibling is determined to keep his family strong. Family is everything. So he starts Global Humanitarian Relief and Stone Consulting to do some good and keep his family together. But when he has to team up with his old flame, Bliss, on a missing persons case, an evil threatens him, his family and the one woman he could never forget and doesn't want to let go. Can these two former lovers put aside past hurts and heal their hearts?

Jar of Hearts:

Prickly Keisha Johnson has the hots for Shane Washington. But she's not about to reveal her inner soft heart to the player pilot and open herself up to hurt, until a favor to their boss sends them undercover and under the

covers. Can she trust his sensual attention or will he shatter her fragile heart?

Cold As Stone:

Nothing is ever set in STONE...

Marine, John Pulaski, the surprise half-brother, takes a trial job at Stone Consulting with hopes of making it permanent. Given a mission to find two missing women, John will stop at nothing to uncover the secrets to their abduction. His stunning and driven partner is the only hitch in his plan.

After a tragic incident two years ago, former FBI agent, Rissa Evans freezes at any sign of conflict, but she's bound and determined to overcome her personal obstacles to prove to her irresistibly sexy and infuriating partner that she's got what it takes to solve the case. As John and Rissa dig deeper into the case, their unwanted attraction intensifies, taking them both by surprise.

Can they let go of the scars of their past to discover what they're really looking for?

From reader reviews:

Richard Forbes:

As people who live in typically the modest era should be update about what going on or details even knowledge to make all of them keep up with the era that is always change and move forward. Some of you maybe can update themselves by examining books. It is a good choice for you but the problems coming to you actually is you don't know which one you should start with. This Queen of Hearts: (Family Stone #6 Shelley) (Family Stone Romantic Suspense) is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

Jose Banks:

Nowadays reading books are more than want or need but also be a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want attract knowledge just go with education books but if you want truly feel happy read one along with theme for entertaining for example comic or novel. Typically the Queen of Hearts: (Family Stone #6 Shelley) (Family Stone Romantic Suspense) is kind of e-book which is giving the reader unstable experience.

Margaret Velasquez:

Information is provisions for people to get better life, information nowadays can get by anyone at everywhere. The information can be a information or any news even a problem. What people must be consider if those information which is from the former life are challenging to be find than now's taking seriously which one is acceptable to believe or which one the resource are convinced. If you find the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take Queen of Hearts: (Family Stone #6 Shelley) (Family Stone Romantic Suspense) as the daily resource information.

Bradford Padgett:

Why? Because this Queen of Hearts: (Family Stone #6 Shelley) (Family Stone Romantic Suspense) is an unordinary book that the inside of the publication waiting for you to snap this but latter it will distress you with the secret that inside. Reading this book alongside it was fantastic author who else write the book in such incredible way makes the content on the inside easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of benefits than the other book get such as help improving your talent and your critical thinking way. So , still want to hold off having that book? If I were being you I will go to the publication store hurriedly.
