LETTERS TO BANKSY: FROM BANKSY'S DAUGHTER BANKSY'S DAUGHTER

"DEAR BANKSY

You don't know me in person; I don't even know if you realise I was ever born. Mad Mother Molly (that's my mum) said she fell pregnant with me after a loft party in Bristol at Christmas where she had a one night stand with a man who introduced himself as a street artist called Rob. She says that's all she knows about him; she tried to trace him when she realised she was carrying me but he had seemingly vanished into thin air. Nobody at the party could recall much about him; it seemed that he was never destined to meet the child he had fathered. I was born on September 1st 1993."

This book of letters from 'Banksy's daughter' to her famous father portray the emotional journey to find the elusive man she believes could be her dad. By telling her story, 'Banksy's daughter' adds a new dimension to the mysterious Banksy legend.
