About Life After Death : A Clergymans understanding From 50 Years Of Ministry (Life Issues Book 1) Leonard Greenhall

"All About The After Life" will give you hope about the life to come. This book is the result of my own reading and understanding after 50 years of church ministry . In this book you will be astounded by the reports I have gathered and which have greatly influenced me -they are certainly not just the traditional viewpoints you might expect. Having belief in the life to come can give sense to the problems and sufferings we go through in this life. It delivers us from the existential despair of Macbeth, "Life's but a walking shadow, a poor player that struts and frets his hour upon the stage and then is heard no more: it is a tale told by an idiot, full of sound and fury, signifying nothing" We are all here for a purpose and that purpose is continued in the Life To Come.
