Rain Falls Like Mercy: A Novel Jack Todd

Set against the sweeping backdrop of World War II, *Rain Falls Like Mercy* is a gripping story of a family and a country touched by the grand violence of war, the senseless violence of crime, and the intimate violence of the heart.

Set against the sweeping backdrop of World War II, *Rain Falls Like Mercy* is the gripping story of a family and a country touched by the epic violence of war, the random violence of crime, and the intimate violence of the heart.

IN THE TRADITION OF true crime narratives such as *In Cold Blood*, acclaimed author Jack Todd's new novel grips the reader from the first page; and as it spans continents and generations of one family, its taut and shocking undercurrent of fury builds to a stunning crescendo.

Rain Falls Like Mercy opens with the investigation of a young girl's murder in Wyoming in mid-1941. Tom Call, the young sheriff in charge of the case, falls in love with Juanita, the wife of Eli Paint, whose son Leo and grandson Bobby Watson are on duty with the U.S. Navy. Almost overnight, the case is derailed by the Japanese attack on Pearl Harbor, disrupting the lives of all involved. Tom joins the U.S. Air Force and is deployed to England to fly bombers, while still trying to pursue his murder investigation. His suspicion falls on Pardo Bury, the psychotic son of a wealthy rancher in Wyoming.

As Pardo and Tom make their ways to their inevitable and shattering confrontation, *Rain Falls Like Mercy* displays Todd's uncanny ability to zero in on his characters' emotional lives while simultaneously painting an epic picture of the historical events that shape their destinies.
