Spend time inside a good book today! Book One of the Plague Wars series - read it or the prequel, The Eden Plague (Book Zero) as your introduction to this gripping futuristic thriller series.

"Everything needed for a great story is right here in its pages... The novel's a fast-paced read that raises the questions we've come to expect from near future thrillers, but it has a freshness and a vigor -- and dare I say it -- a moral compass that isn't as common as with others of its ilk." - Charles de Lint: Books to Look For, Fantasy and Science Fiction Magazine (July/August 2014)

When US Marine Sergeant Jill Repeth's blown-off legs begin to regenerate, she thinks it's a medical miracle. But the breakthrough that heals her war injuries is exactly what the government desperately wants to quash - by any means necessary. Hunted, she must cross an America wracked by strife to try to find a family who may already be dead, searching for the inhuman secret of what started it all.
