*The very night I declared playtime was over Hollywood playboy Eric Gadaous stormed into my life and turned it upside down.*

I wanted nothing to do with him but he wouldn't take no for an answer. They say love is priceless but I knew that succumbing to hot billionaire Eric's temptations could cost me everything.

He had baggage that I had no interest in carrying. But the passion with which he pursued me ignited a fire inside of me that was slowly melting my resistance and my reasoning. I was being pulled into a scandal that violated my morals and my dignity against my better judgment.

In love you have to take risks but was I willing to risk it all?
